

South Central Los Angeles Regional Center
for persons with developmental disabilities, inc.

JOB OPPORTUNITIES--INTERNAL LISTING

South Central Los Angeles Regional Center Vendor

Date: 3.20.23

Company Name: Exceptional Children's Foundation

Company Description:

ECF was founded in 1946 by a group of parents and community activists who sought to establish a day training program as an alternative to institutional care for individuals with developmental disabilities. Over the years, ECF's services expanded to meet the changing needs of its target population, successfully developing and implementing early intervention programs for infants and toddlers, as well as residential, work and day programs for adults. In 2008, ECF merged with Kayne Eras Center (KEC), adding a K-12 school and a comprehensive Mental Health Program to its services.

As a regional service provider, ECF currently supports more than 5,000 children, adults, and their families at 15 service sites, in clients' homes, and in community settings throughout L.A. County. We are dedicated to providing a lifetime of services for clients so that they can live as independently as possible, and with the right support, all of ECF's clients are examples that anyone can grow and succeed.
